Bank of America Corporation, through its subsidiaries, provides various financial products and services for individual consumers, small and middle-market businesses, institutional investors, large corporations, and governments worldwide. It operates through four segments: Consumer Banking, Global Wealth & Investment Management (GWIM), Global Banking, and Global Markets. The Consumer Banking segment offers traditional and money market savings accounts, certificates of deposit and IRAs, checking accounts, and investment accounts and products; credit and debit cards; residential mortgages and home equity loans; and direct and indirect loans. The GWIM segment provides investment management, brokerage, banking, and trust and retirement products and...
